

# Wrist Braces

Custom Comfort

## Product Overview

Offers optimal support and immobilization while allowing unrestricted motion of the hand and thumb. Automatically adjusts and conforms to each patient's anatomy, allowing one size to fit nearly all patients.

## Features and Benefits

- Standard size fits virtually all patients, reducing need for excess inventory.
- Panel automatically expands, providing a custom off-the-shelf fit.
- Auto-lock strap secures custom sizing.
- Cut low at the palmar crease to allow for 90-degree MP flexion.

## Clinical Applications:

- Carpel Tunnel (Overuse Injuries)
- Incomplete Fractures
- Tendonitis
- Soft Tissue Injuries
- Post-Cast Support for Healing
