

# Steel Walkers

Adjustable Folding Walkers

## Product Overview

Constructed with either aluminum or steel, these walkers offer adjustable heights to accommodate various user needs. The comfortable grip handles and sturdy frame ensure secure and easy use. The easy lock mechanism allows for quick and convenient opening and closing.

## Features and Benefits

- Adjustable height settings.
- Easy-to-use push button folding mechanisms provides audible click when locked.
- Front cross brace near top of walker allows for full stride.
- Each side operates independently to allow easy movement through narrow spaces and greater stability while standing.
- Anti-skid rubber tips.
- Folds flat for transport and storage.
